1.1 Parties to the Memorandum

This Memorandum of Understanding is made and entered into effective the 1st day of January, 2017, by and between the City of Yreka and the Yreka Management Team Association, hereinafter “City” and “Association” respectively. The Association is the recognized employees’ organization for the classifications of City employees hereinafter identified. Upon adoption by the City Council, this Memorandum will become binding between the City of Yreka and the Association and its members.

1.2 Validity of Memorandum:

The parties have met and conferred in good faith through their designated representatives concerning matters set forth in Government Code Section 3504 and have reached agreement thereon as set forth below.

1.3 Recognition:

The Association is the recognized employee organization for members in the following classifications:

EXECUTIVE EXEMPT: Director of Public Works

ADMINISTRATIVE EXEMPT: Maintenance Manager

NON-EXEMPT: Fleet Manager, Water Manager and Waste Water Treatment Manager,

Notwithstanding the foregoing, if an employee believes his or her position should be modified from exempt to non-exempt, or vice versa, such employee is encouraged to discuss it with the employee’s supervisor. Such employee may use any information to support the employee’s position, such as comparable duties at competing employers, comparisons with other City employees with similar duties, and/or responsibilities and other activities of the employee, which may warrant consideration of the change in status. If the employee is not satisfied with the result of the discussions with the employee’s supervisor, the employee may take such information to the next level of supervision up to and including the City Council. This Section shall not, however, be subject to the grievance procedure.

1.4 Effective Date and Term:

A. This Memorandum of Understanding shall take effect as of January 1, 2017, except as otherwise provided herein, and shall remain in full force and effect through December 31, 2019. This Memorandum of Understanding shall only become effective with approval of the City Council of the City of Yreka and the Association. Any financial consideration payable under this Agreement shall commence on the dates stated.

B. Term of this Agreement shall be for three (3) years from January 1, 2017 through and including December 31, 2019.

1.5 Effect of Memorandum:

During the term of this Memorandum, the provisions hereof shall govern the wages, hours, benefits, and working conditions of employees with the represented unit covered by the Memorandum, and including as otherwise provided in City personnel rules and regulations, resolutions, and ordinances wherein this Memorandum is silent. The Employee Personnel System and the Personnel Rules and Regulations are on file in the City Manager's Office at City Hall. Nothing herein shall be construed to limit the authority by the City to change or modify the Employee Personnel System or the Personnel Rules or Regulations, subject, however, to the City's obligation to meet and confer with the Association.

1.6 Employee Rights:

A. Employees of the City shall have the right to form, join, and participate in the activities of an employee organization of their own choosing for the purpose of representation on matters of employer-employee relations, including but not limited to wages, hours, and other terms and conditions of employment. Pursuant to California Government Code Section 3502, employees of the City also have the right to refuse to join or participate in the activities of employee organizations and shall have the right to represent themselves individually in their employment relations with the City.

B. Neither the City nor the Association shall impose or threaten to impose reprisals on employees, to discriminate or threaten to discriminate against employees or otherwise interfere with, restrain, or coerce employees because of the exercise of these rights.

1.7 City Rights:

The City retains the exclusive right, subject to and in accordance with applicable laws, regulations and the provisions of this Memorandum, (a) to direct employees in the performance of their duties; (b) to hire, promote, transfer and assign employees; (c) to classify employees in accordance with applicable ordinance and resolution provisions; (d) to discipline employees in accordance with applicable rules; (e) to dismiss employees because of lack of work, funds, or for other reasonable cause; (f) to determine the mission of its departments, its budgets, its organization, the number of employees, and the number, types, classifications and grades of positions of employees assigned to an organization unit, work project, shift or tour of duty, and the methods and technology of performing the work; and (g) to take whatever action that may be necessary and appropriate to carry out its mission in emergency situations.

1.8 Non Discrimination Clause:

As may be required by State or Federal Law, both City and Association agree not to discriminate against any employee because of legitimate union activity or affiliation, political belief, race, creed, color,

religion, nationality, age, sex, sexual preference, physical condition, national origin or any other protected status under the law.

1.9 Requirement to Meet and Confer:

A. Except in cases of emergency, the City shall give reasonable written notice to the Association when its members are affected by any ordinance, rule, resolution or regulation directly related to matters within the scope of representation proposed to be adopted by the City. City shall give the Association the opportunity to meet with the City. In cases of emergency when the City determines that an ordinance, rule, resolution or regulation must be adopted immediately, without prior written notice or meeting with the Association, the City shall provide Association the opportunity to meet at the earliest practical time following adoption of such ordinance, rule, resolution or regulation. The Association shall provide to City in writing, the names, addresses and telephone numbers of up to two persons to whom the City shall be required to give notice as required in this paragraph.

B. The City and/or its authorized representatives shall meet and confer in good faith regarding wages, hours and other terms and conditions of employment with representatives of the Association and shall consider fully such presentations as are made by the Association on behalf of its members prior to arriving at a determination of policy or course of action. City agrees to provide time off to two (2) members of the Association while attending meetings with the City during the meet and confer process.

C. “Meet and confer in good faith” means that a public agency, or such representatives as it may designate, and representatives of recognized employee organizations, shall have the mutual obligation personally to meet and confer promptly upon request by either party and continue for a reasonable period of time in order to exchange freely information, opinions, and proposals and to endeavor to reach agreement on matters within the scope of representation prior to the adoption by the public agency of its final budget for the ensuing year. The process should include adequate time for the resolution of impasses where specific procedures for such resolution are contained in local rule, regulation or ordinance, or when such procedures are utilized by mutual consent.

Article 2 – Salary Ranges and Adjustments

2.1 Salary:

A. Salary ranges for the period of this Memorandum for each classification are as specified in Appendix A, attached to this Memorandum. These salary ranges are retroactive to January 1, 2017, and reflect a two and one-half percent (2.5%) increase for the calendar year 2017 with another two and one-half percent (2.5%) increase for the calendar years 2018 and 2019. These salary ranges shall be effective the first full payroll after January 1, 2017, 2018, and 2019 of each respective year.

Article 3 – Medical, Dental, Vision, Life and Disability Plans

3.1 Medical Plan:

A. The City implemented an Internal Revenue Code Section 125 cafeteria plan (“125 Plan”) on or about November 7, 2013. The City participates in the CalPERS Health Benefits Program.

B. Each employee may select health insurance coverage through the PERS Health Plan and receive the City’s Health Contribution, as described below in Subsection D. Employees who opt out of city-sponsored health coverage will not receive the City’s Health Contribution, as described below in Subsection D, but may be eligible for the benefit described in subparagraph 3.1.I of this Section.

C. Effective January 1, 2017, and continuing thereafter, the City shall pay the Public Employees Medical and Health Care Act (PEMHCA) minimum contribution for both eligible employees and retired annuitants for the calendar year (\$128 per month in 2017). The PEMHCA minimum contribution may not be taken in cash and may only be used toward the cost of the PERS Health Plan that the employee chooses.

D. For eligible active employees, the City shall pay through the City’s Section 125 plan a contribution per month per employee to be applied to the selected City-sponsored health insurance plan premium (“City’s Health Contribution”), and shall not exceed the following sums:

Group Tier	2017 City’s Health Contribution	2018 City’s Health Contribution	2019 City’s Health Contribution
Employee	\$560.00	\$580.00	\$600.00
Employee +1 dependent	\$1,060.00	\$1,100.00	\$1,140.00
Employee +2 or more dependents	\$1,375.00	\$1,435.00	\$1,495.00

The PEMHCA minimum contribution is included in the above contribution amounts.

E. An employee may not receive any portion of the City’s Health contribution in cash. The employee also may not direct any portion of the City’s Health Contribution to non-health benefits. The city intends for the City’s Health Contribution to qualify as a health flex contribution for purposes of the ACA.

F. In the event the total cost of benefits selected exceeds the City’s Health Contribution, the difference shall be deducted from the employee’s salary as a “salary reduction” item, i.e., paid with before-tax dollars. By no later than December 31st each year, each employee shall execute a written authorization regarding the medical premium deduction. The deduction will be made on a biweekly basis.

G. The parties agree that the administration of the plan, enrolling or canceling enrollment of employees or their dependents and processing claims and securing of adequate risk protection shall be the sole administrative and financial responsibility of the City.

H. An employee with court ordered dependent health coverage must show proof of that order in the form of a qualified domestic relations' order ("QDRO") before dependent coverage can be extended and otherwise meet the standards and regulations for the CalPERS Health Plan.

I. An employee who elects to opt out of City-offered health insurance coverage will be eligible for an opt-out payment of up to \$540 per month per employee for the calendar year 2017 and \$540 per month per employee for the calendar year 2018, disbursable to the employee biweekly on a taxable income basis ("Opt-out Payment"), **only if** the employee meets all of the following requirements of the City's eligible opt-out arrangement, as defined by Internal Revenue Service Notice 2015-87:

1. The employee must provide ***proof of minimum essential coverage ("MEC") through another source (other than coverage in the individual market, whether or not obtained through Covered California)***. This includes proof of MEC through government sponsored programs such as most Medicaid coverage, Medicare part A, CHIP, and most TRICARE coverage;
2. The employee's proof of coverage must show that the employee ***and all individuals in the employee's expected Tax Family have (or will have) the required MEC***. An employee's expected Tax Family includes all individuals for whom the employee reasonably expects to claim a personal exemption deduction for the taxable year(s) that cover the City's plan year to which the opt-out arrangement applies;
3. The employee must provide ***reasonable evidence of the MEC*** for the applicable period. The City may require an ***attestation by the employee*** as reasonable evidence;
4. The employee must provide evidence/attestation ***every plan year***;
5. The evidence/attestation must be provided ***no earlier than a reasonable time before coverage starts*** (e.g. open enrollment); and
6. ***The City will not make an opt-out payment if the City knows or has reason to know that the employee or family member does not have the alternative coverage, as described above.***

Accordingly, prior to receiving the Opt-out Payment, the employee must agree to and sign the Opt Out Disclaimer provided by the City **and attest** to the following information:

1. The employee acknowledges that the City offered the employee and his or her dependents affordable MEC;
2. The employee declines that coverage and certifies that he or she and all members of the employee's Tax Family are participating in MEC through another source (but not individual coverage or individual coverage through Covered California). The City's Opt Out Disclaimer may require proof of such coverage.

3. The employee understands that it is the employee's responsibility to ensure that his or her alternative health insurance qualifies as MEC, as required under the ACA, which could affect individual tax liability. The city does not participate in the employee's selection of non-City health insurance.
4. The employee understands that failure to meet any of these eligible opt-out plan requirements results in loss of opt-out pay by the employer.

J. The City may reopen negotiations on the issue of health insurance benefits or cafeteria plan benefits.

3.2 Dental Plan:

The parties agree that the current self-funded dental plan will remain in effect. The parties agree that the administration of the plan, including but not limited to the providing of information about the plan, enrolling or canceling enrollment of employees or their dependents and processing claims shall be the sole administrative and financial responsibility of the City. There will be no decrease in benefits.

City agrees to pay one hundred percent (100%) of the dental plan cost including dependent coverage.

3.3 Vision Plan:

City agrees to continue to provide a vision plan through the California Vision Service Plan (VSP) B with a current \$25.00 deductible including coverage for dependents at its sole expense. City retains the right to self-insure at the same benefit level. There will be no decrease in benefits.

City agrees to pay one hundred percent (100%) of the vision plan cost including dependent coverage.

3.4 Life Insurance Plan:

Life Insurance will be procured for each employee, (excluding retired employees) equal to the double amount of the gross salary received under the salary schedule for a given year, not including overtime or special pay. Dependent coverage at the amount of one thousand dollars (\$1,000) per spouse and child will continue to be provided. City agrees to pay the premium for this coverage.

The City Manager at his or her sole discretion may temporarily increase the cap for those employees who are unable to use their vacation leave due to extenuating circumstances.

- E. The time during a calendar year at which an employee may take their vacation shall be determined by the department head with due regard for the wishes of the employee and particular regard for the needs of the City.
- F. The City agrees to permit probationary employees to use earned vacation time during the probationary period.
- G. As determined on the hire date, previous part-time City employees, who have subsequently become full-time regular employees without separation of service, shall be credited with such part-time City service, for the purpose of computing months of employment and vacation accrual rate. As discussed in subparagraph 4.3(D) below, one-half of an employee's annual accruable sick leave granted for use related to subparagraph C shall not be considered in determining the number of sick leave hours used during a given 12-month period. The use of additional accrued sick leave related to subparagraph C shall not, in and of itself, be cause for discipline or decreasing an employee's performance evaluation.

B. The City has entered into an agreement with the PERS whereby accumulated sick leave is converted to additional service credit upon retirement.

C. Sick leave pursuant to California's Paid Sick Leave law may be taken for one of the following three purposes:

Each certificate shall be filed by the department manager with human resources. It shall be the responsibility of the department manager to deny the use of sick leave with pay in cases where there is substantial evidence of abuse of sick leave. Sick leave taken for a protected purpose may not be considered in determining evidence of abuse of sick leave. In addition, all or some of these requirements for sick leave may not apply in the case of sick leave taken as part of a reasonable accommodation or in connection with other leave protected under the law.

E. An employee who is entitled to Worker's Compensation under the Labor Code of the State may elect to take as much of his/her accumulated sick leave or accumulated vacation as when added to the Worker's Compensation will result in payment to that employee of his/her full salary or wage.

In some cases concurrent with sick leave taken pursuant to the Paid Sick Leave law, an employee shall be permitted to use in any calendar year the sick leave that would be accrued during six months at the employee's then current rate of entitlement or ten (10) days per calendar year, whichever is greater to attend to the illness of a child, parent, spouse, grandparent, grandchild, sibling, or registered domestic partner.

Appendix B– OPT OUT Coverage Payment Disclaimer

2017 OPT OUT Coverage Payment Disclaimer

As provided for in the employee’s Memorandum of Understanding dated _____, an employee who elects no health insurance coverage through the City of Yreka (“City”), will not receive the City’s Health Contribution as described in Section 3.1.D of the MOU, but may be eligible for an Opt-Out Payment as described in Section 3.1.I of the MOU.

An employee may receive the Opt-Out Payment **only if** the employee meets all of the following requirements of the City’s eligible opt-out arrangement, as provided by Internal Revenue Service Notice 2015-87.

PART A: For Employees Opting Out AND Receiving the Opt-out Payment:

I, _____, understand and have completed the following to comply with the City’s eligible opt-out arrangement:

1. I have provided ***proof of minimum essential coverage (“MEC”) through another source (other than coverage in the individual market, whether or not obtained through Covered California)***. This includes proof of MEC through government sponsored programs such as most Medicaid coverage, Medicare part A, CHIP, and most TRICARE coverage;
2. I have provided proof of coverage showing the employee ***and all individuals in my expected tax family have (or will have) the required MEC***. I understand that my expected tax family includes all individuals for whom I reasonably expect to claim a personal exemption deduction for the taxable year(s) that cover the City’s plan year to which the opt-out arrangement applies;
3. I have provided ***reasonable evidence of the MEC*** for the applicable period. I understand that I may provide an ***attestation*** as reasonable evidence;
4. I understand that I must provide evidence/attestation ***every plan year***; and
5. ***I understand that the City cannot and will not make an opt-out payment if the City knows that I or my family member does not have the alternative coverage, as described above.***

I hereby attest that:

1. ***The City has offered me and my dependents affordable MEC providing minimum value in compliance with the Affordable Care Act (“ACA”).***

2. *I declined coverage and certify that myself and my tax family are participating in MEC through another source, and therefore qualified to receive an opt-out payment in lieu of coverage.*
3. I am responsible for maintaining this alternative MEC and understand that failure to do so may have individual tax consequences.
4. I understand that failure to meet any of these eligible opt out plan requirements would result in loss of opt out pay by the employer.
