Yard/Garage Sales Two Per Year

It's the time of year for cleaning out garages and spring cleaning, so the city would like to remind everyone about Yard/Garage sale regulations.

Yard/Garage sales are restricted to no more than two per calendar year and are limited to a duration of no more than two consecutive days. All items for sale must be personal property accumulated for personal use by the occupant residing at the address at which the sale is to be held. However; neighbors in the same residential area can conduct a combined yard sale at one specified address. When advertising for your Yard/Garage sale, signs are only permitted on the property where the sale is taking place. One (1) sign only is allowed, sign is not to exceed fifteen (15) by twenty (20) inches in size, and may be placed in the front or side yard of the premises where the sale is conducted. No advertising signs of any kind can be put on public property within the city or upon any other property including power poles

or sidewalks. Yard/Garage sale hours are allowed between 9:00 am to 6:00 pm of any day (Y.M.C. 16.46.090). We thank you in advance for your cooperation in complying with these regulations.
