

CITY OF YREKA

PRESS RELEASE

EFFECTIVE October 27, 2017

Yreka Volunteer Fire Department Chief Jerry Lemos announced that climatic conditions have sufficiently changed to allow burning within the City effective October 27, 2017. Chief Lemos wants to remind citizens that burning will be allowed only during daylight hours in small piles (3'x3'x3') and that reasonable and ordinary care must be exercised. Before burning call the Siskiyou County Air Pollution Control at (530) 842-8123 for burn days and burning requirements.

Burn Permits previously obtained from City Hall are still valid. Burn Permits are free and can be obtained from Yreka City Hall – 701 Fourth Street – Mondays through Thursdays 8:00 am to 5:00 pm during the burn season.
