City of Yreka Press Release

EMERGENCY WATER SHUT DOWN

The City of Yreka Public Works is reporting an Emergency Water Shut Down effective Friday, 10/09/2015 due to a water line break in the main transmission line.

Residents may be out of water completely or have very low water pressure. We are asking residents to conserve water by turning off all outdoor irrigation during this emergency.

The City Public Works crew have responded to assess the damage and are working to repair the damaged line and anticipate the water will be OFF for a MINIMUM of 6-8 hrs and possibly longer.

We apologize for any inconvenience and thank you for your cooperation. We will share more information as it becomes available.
